HOW IT WORKS

Site Assessment

Contact us for a site assessment. Our UGE Partner network spans the globe; we will work with you to analyze your needs and answer all your questions.

Customize Your Solution

Following a site assessment, your local UGE Partner will guide you in determining the appropriate wind/solar system to match your energy requirements.

Permitting & Installation

Our certified installers will see your project through from concept to completion. Leave the details to us.

Sit Back & Watch

Your new energy system will demonstrate your commitment to going green, as it offsets your consumption. **viewUGE™** software allows you to monitor energy production and consumption in real-time from anywhere in the world.
